CREATION MUSEUM

creative *ink*

On October 10, 2008 the staff of Creative Ink presented CMOTO'S board and advisory committee with our first tentative concept drawing. Ideas are constantly coming to us, and although I am rather reluctant to use the word "evolve" I believe we will see this vision for an appropriate facility evolve as creative ideas continue to come to us through our advisory board and others.

On page two you will see a tentative plan for a ten-acre plot. Please pray earnestly with us

as we believe God for the miracles we need for land, technical knowledge, the right people, wisdom, and of course the necessary finances.

WILL YOU JOIN US ON THIS JOURNEY OF FAITH WITH YOUR PRAYERS, AND AS LED OF GOD, WITH FINANCIAL SUPPORT?

God bless you,
Rod Butterworth

God Has a Plan

By Rod Butterworth

It is certainly comforting for us as Christians to know that God has a plan for our lives. However, sometimes doubts arise in our minds as to whether we are on the right road of God's plan for us. But if we have determined in our hearts to be faithful and obedient followers of Jesus Christ, we can be sure that Romans 8:28 is being worked out in our daily lives. It reads: "And we know that all things work together for good to those who love God, to those who are the called according to His purpose."

While we expect the plans for CMOTO to change and develop as time passes, we believe it is important to have a vision of faith now for what lies ahead. In doing this we are certainly not dictating to God what shall be, but expressing our faith that in His own way and time He will answer our requests.

The purpose of this vision for a creation museum in the Branson, Missouri area is that it will be a strong, uncompromising testimony to the absolute truthfulness and historical accuracy of the Word of God. We believe that this is something very close to the heart and desire of God.

Psalm 138:2 says in part, "For You have magnified Your word above all Your name." The Bible also says that "...faith comes by hearing, and hearing by the word of God" (Romans 10:17). It is our vision that those who visit Creation Museum of the Ozarks when it is a reality will be confronted with the truth of the Bible in a powerful way. Only the Holy Spirit can lead a soul to salvation in Jesus Christ, and we desire that God will use the ministry of CMOTO to this end.

The picture opposite suggests a plan for ten acres with a two-storey 40,000 square foot building and parking for three to four hundred vehicles. Yes, we are asking God for big things, and we serve a big God! After all, He created the entire universe!
